## Victoria's Secret & Co. Issues Letter to Shareholders Highlighting Strong Performance, Significant Shareholder Value Creation and Continued Momentum Under Current Leadership

May 18, 2026

### Urges Shareholders to Vote "FOR" All Highly Qualified Directors at the 2026 Annual Meeting of Shareholders

REYNOLDSBURG, Ohio, May 18, 2026 (GLOBE NEWSWIRE) -- Victoria's Secret & Co. ("VS&Co" or the "Company") (NYSE: VSCO) today issued a letter to shareholders highlighting the significant progress and shareholder value creation achieved under the leadership of Chief Executive Officer Hillary Super and the support of the Company's Board of Directors (the "Board").

The letter underscores the Company's strong operational and financial momentum under its Path to Potential strategy and highlights the Board's conviction that continued execution of this strategy is the best path to sustained long-term shareholder value creation. Since the announcement of Ms. Super's appointment in August 2024, VS&Co has delivered a total shareholder return ("TSR") of 141%, significantly outperforming the peer group used by research analysts, the S&P 500 Consumer Discretionary Distribution Retail index and the S&P 600.<sup>1</sup> In fiscal year 2025, the Company delivered comparable sales growth, improved profitability, growth across brands, channels and geographies and continued progress across each of the four pillars of the Company's Path to Potential strategy.

The Company launched VSPathtoPotential.com to provide shareholders with additional information and resources about VS&Co's strategy to maximize value for shareholders, as well as instructions for how to vote at the 2026 Annual Meeting of Shareholders on Thursday, June 11 (the "Annual Meeting").

The Board encourages shareholders to vote "FOR" all of the Company's highly qualified directors at the Annual Meeting to support continued value creation.

The full text of the letter follows:

#### Dear Fellow Shareholder,

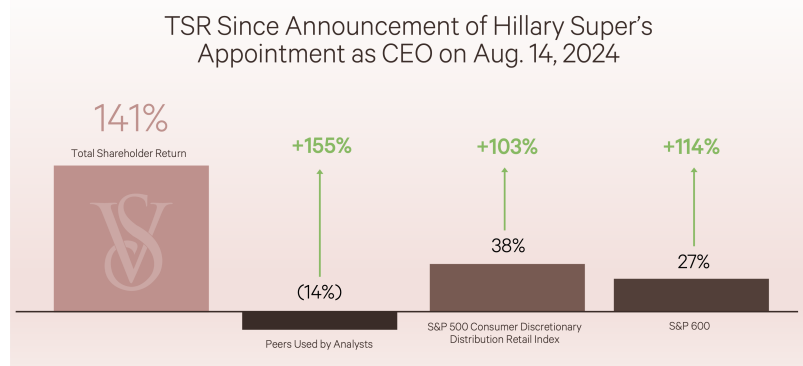

Under CEO Hillary Super's leadership and with the support of the Board's active oversight and strategic guidance, Victoria's Secret & Co. ("VS&Co" or the "Company") is executing a clear strategy that is creating significant shareholder value.

Since the Board announced Ms. Super's appointment in August 2024, VS&Co has delivered total shareholder return ("TSR") of 141%, significantly outperforming the peer group used by research analysts, the S&P 500 Consumer Discretionary Distribution Retail index, and the S&P 600.<sup>1</sup> These results reflect best-in-class financial and operational performance, as well as continued momentum across the business, with growth accelerating in the back half of 2025.

Despite this progress, BBRC International Pte Limited ("BBRC") and its Chairman Brett Blundy have launched a proxy contest that threatens to disrupt the Company's momentum, without offering a compelling case for change.

You face an important decision at the Company's 2026 Annual Meeting of Shareholders ("Annual Meeting") on Thursday, June 11. We have the right Board with diverse expertise, led by Chair Donna James, and the right leadership team to continue delivering value to shareholders. Why disrupt what is working? A vote "FOR" all of our highly-qualified directors is a vote to maintain our momentum and support continued execution of the Company's strategy for long-term shareholder value creation.
